Meeting of the Finance Committee August 3, 1961 at the commissioners' office, Claremont.

Present: Ch. Nahil, Wirkkala, Campbell, Bascom, County Commissioners Bailey, Perkins, Duncan, Supt. Ahern, Consulting Engineer Burlingame.

The engineer explained the progress of the work in laying the new water line from Marshall Pond to the County Home. Due to running into more ledge than expected the cost would be increased considerably, since the contract provided for a payment of \$15 per cu. yd. of ledge removed in addition to the 150 cu. yds. stipulated in the contract.

Along came sad news from the commissioners that the "Poor off farm" appropriation has been exhausted as of August 1.

Voted to call a full delegation meeting for August 24, 1961.

Sam J. Nahil

Delegation meeting at the Commissioners' Office, Claremont, Thursday, August 24 at 8 p.m.

---

In accordance with notices made according to law the County Convention held a public hearing at the Commissioners' Office in Claremont August 24 at 7:30 p.m. on request of the County Commissioners for additional funds relative to Sullivan County Home Water Line Construction and Direct Relief Appropriation. In addition to the convention, commissioners, superintendents and engineers only the press and Senator Phillips were present. Adjourned 8 p.m.

At 8 p.m. Chairman Bascom called to order the meeting of the Convention. Roll call showed the following to be present: Bascom, Frizzell, Cann, Prudhomme, Campbell, Nahil, D'Amante, Weber, Bailey, Merrifield, DeLude, Wirkkala, Philbrick. Also Commissioners Duncan, Bailey and Perkins, Senator Phillips, the press, Supt. and Mrs. Ahern, Consulting Engineer Burlingame, Resident Engineer Hogan.

The commissioners presented their two problems:

1. Laying of the new water line from Marshall Pond to the County Home, excessive ledge over estimates. Engineer Burlingame explained that there was only 250 ft. more of line to lay, that he felt that the job was near enough completed to estimate that \$20,000 more should be appropriated to add to the sum already appropriated, that \$17,000 had already been required but not paid for. Discussion.

2. Relief off farm. The appropriation of \$18,000 was exhausted as of August 1. The commissioners estimated that they would need an additional appropriation of \$7500 for the remainder of the fiscal year 1961. Discussion.

Executive session.

Margaret DeLude moved, Sam Nahu seconded: That the County Commissioners be authorized to instruct the County Treasurer to borrow by short term note up to but not exceeding the sum of \$20,000 to meet the contractual obligations for the installation of the new water line at the County Home due to excessive ledge excavation. Vote 12 for, 1 opposed.

George Merrifield moved, Sam Nahil seconded that: The County Commissioners be authorized to instruct the County Treasurer to borrow by short term note up to but not exceeding the sum of \$7500 for direct relief purposes for the balance of fiscal 1961. Vote for unanimous.

Respectfully submitted,

## **GENERAL COMMENTS**

### **Surety Bond for Superintendent of County Home:**

It is recommended that a surety bond be obtained for the Superintendent of the County Home and Hospital. In view of the fact that the income from the institution last year was in excess of \$150,000.00, the amount of the surety bond should be \$20,000.00.

### **Conclusion:**

In accordance with the provisions of Chapter 184 of the Laws of 1955, a copy of this report or a summary of its findings and recommendations (letter of transmittal) should be published in the next annual report of the County. This letter of transmittal should be included in its entirety but the publication of Exhibits is optional.

The appreciation and thanks of this Division is hereby expressed to the officials of Sullivan County and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

## COMMISSIONERS' REPORT

To the Citizens of Sullivan County:

In accordance with the laws of the State of New Hampshire, the Commissioners of Sullivan County herewith respectfully present the Annual Report of the Commissioners, Attorney, Clerk of the Superior Court, Sheriff, Chaplain and Physician of the County Home, County Agent and the County Auditors for the year ending December 31, 1961.

The Commissioners feel that once again the County has experienced a year of accomplishment and progress. This would never have been possible without the full cooperation of the Delegation and the usual efficiency evidenced by the complete County staff.

The County Hospital has experienced another year of full occupancy, and the Commissioners feel that no greater testimonial can be presented to the Superintendent, Matron, and the entire Hospital staff than this one fact. Equal note should also be given to the fact that there is normally a waiting list for admissions for both male and female patients. No major renovations or alterations were made in the Hospital during the year. Normal maintenance and repairs necessary to maintain, what we believe to be a high level of patient care, continues to require considerable time and expenditure of money. The new electrical stove and bakers and other major equipment authorized by the Delegation have been installed and are daily proving their worth. The emergency generator obtained through surplus property has been installed with all necessary electrical connections. A source of worry has been eliminated, as a serious power interruption could have presented major problems with respect to the County's physical property to say nothing of proper patient care.

The new water line from Marshall Pond to the storage reservoir has been installed and is proving completely satisfactory. Considerable unforeseen ledge excavation was required during the last stages

of the project which resulted in approximately \$20,000.00 additional expenditures. The Commissioners presented this problem to the Delegation which recognized the need and emergency nature of the problem and authorized the Commissioners to borrow necessary funds so the project could be completed.

Welfare expenditures increased greatly during the year due to increased load and medical payments. It became obvious to the Commissioners during the year that the amount appropriated for welfare needs would be insufficient and this problem was also presented to the Delegation. The usual cooperation of the Delegation was given and the Commissioners were authorized to borrow, if necessary, a sum not to exceed \$7500.00 to take care of this anticipated welfare increase. Actual welfare expenditures slightly exceeded this additional \$7500.00, but the Commissioners did not find it necessary to borrow these funds due to savings in other departments and availability of increased revenue. Unfortunately, there is little reason at this time to expect welfare costs to decrease by any material amount in the coming year.

A further item that is constantly increasing in amount is the sum necessary to expend for the board, care and other necessities of life of children who are the responsibility of the County and placed in foster homes by the Welfare Department or other authorized agencies. The monthly board and care cost of the children is constantly rising as well as the cost of other necessities as is experienced by all of us in our daily life. Additionally, the numbers of these children constantly grow, and it is expected that during 1962 twenty additional children will become the responsibility of the County with the loss of only one of our current children. As is known, the responsibility of these children follow the general settlement law and the new children expected in 1962 have been supported for the past five years by the town or city of first responsibility and, at the end of that time, now become our responsibility. These children are mainly neglected or delinquent children from broken homes or ones lacking in parental guidance and supervision and are now in good homes receiving a better chance in life, and the Commissioners feel that no portion of the taxpayer's dollar is spent for a better or more worthy purpose.

The farm experienced another fine year. The overall farm program produced excellent result with a good harvest of crops for use at the hospital and home. The dairy herd is improving and producing at a very satisfactory rate.

It is impossible for the Commissioners to thank or mention by name all the people of Sullivan County who have so generously given of their services and time during the past year which have benefited

the County so greatly. We wish to mention and express our sincerest thanks to the County officials, County Delegation, Chaplains, Physician, entire office staff, all employees, County Agent and County Forester, Home Demonstration Agent, and all organizations, clubs or individuals who have in any way contributed to the success and progress which we believe was experienced by the County in 1961. Particular appreciation is expressed to Mr. and Mrs. Omer Ahern, our Superintendent and Matron of the County Home, for their capable and untiring efforts which have contributed so much towards the continued efficient operation of the Hospital and Farm and, more importantly, towards the welfare of the patients and inmates.

The Commissioners again extend a continuing invitation to the people of Sullivan County to visit their County Institution.

Respectfully submitted,

Richard C. Duncan  
Vincent A. Perkins  
Charles L. Bailey

## SUPERINTENDENT'S REPORT

To The Commissioners of Sullivan County

Gentlemen:

Once again it is a pleasure to present our annual report. As always the problems have been many, but with the closing of another year we can look back with satisfaction on many accomplishments.

The new electrical kitchen equipment was installed early in the summer and we are happy to say that it has been a great asset in the preparation of our meals. The electrical generator has been completed and will be of great value in case of emergency.

The flat work ironer has been installed in the laundry making this department much more efficient and with less linen damage.

The water line installation was a source of much trouble but through the tireless efforts of our contractors, Cannavino and Shea and our engineers, Camp, Dresser and McKee, the work was completed and we can report an ample supply of water available for many years.

The new cooling rooms were completed in time for holding the fresh vegetables from the garden for canning and freezing and proved to be very helpful in cooling our freshly killed beef and pork. We know that these rooms will continue to see much use in the years ahead.

The gardens were again productive giving us an ample supply of fresh vegetables through the summer and winter.

The dairy herd is continuing to improve and many of the cattle have been registered. Again this year we have been fortunate in raising our own beef and pork.

We are sorry to report that it was necessary for our Director of Nurses, Miss Florence Melendy, to submit her resignation because of ill health effective as of January 1, 1962. We have been fortunate to secure the services of Mrs. Lucile Waldo, former visiting nurse of Windsor, Vermont, to succeed Miss Melendy.

Again this year our Nursing Home has been filled to capacity and at all times we have had many applications on file of individuals waiting to enter the Home. We have had to increase our nursing staff due to the fact that the patients are requiring more and more intensive nursing care. Many of our ambulatory patients are be-

coming bed patients and those now entering the Nursing Home are requiring full time nursing care.

Our Occupational Therapy Program was interrupted in the Fall when the husband of our Occupational Therapist was called into the Service. However, through the efforts of Mrs. Mildred Powers, a volunteer, the work has continued; thus making it possible for the residents to resume their varied activities.

Our County Home Auxiliary under the fine leadership of Mrs. Sara Hauge has continued to be of great service to us through the friendly visiting, library services, etc. During the summer the Auxiliary purchased a Swing Set for visiting children and a double Lawn Swing for the Nursing Home residents to enjoy. These were placed adjacent to the Geriatric Garden where they were easily accessible to our residents.

As in years past groups, organizations, clubs, etc. have given gifts, programs, parties, and have cooperated in many other ways. We appreciate their many kindnesses.

We want to express our thanks to the Sheriff's Department and the County Attorney for their assistance and cooperation.

We have enjoyed working with our County Commissioners who have given a great deal of their time and efforts in helping us solve our many problems.

In closing we want to express our appreciation to Dr. Carl Stearns, our attending physician; to our Chaplains, Rev. Father Maurice Lacroix and Mr. Alvin Barrus; to all members of the clergy of various faiths; to our County Extension Service; and to everyone who has helped us to make our County Home a "home away from home."

To our employees for their continued support and untiring efforts in giving so much of themselves in the performance of their duties, we say, "Thank you."

Omer C. Ahern, Supt.  
Rosa C. Ahern, Matron

## PHYSICIAN'S REPORT

To the Sullivan County Commissioners:

During the past year of 1961 we have had 75 admissions to the Sullivan County Nursing Home. There were 37 deaths.

In 1961 we purchased a new ultrasonic therapy machine to replace the old Diathermy machine. We have already given 236 treatments with the new machine.

In December of 1961 we began a program of giving Vaccine for the prevention of Asiatic Flu and gave vaccine injections to all employees and patients who desired to have them.

I have been very happy with the cooperation given to me by Mr. and Mrs. Omer Ahern, and our very fine nurses and nurse's aides. We were all sorry to lose our Chief Nurse, Miss Florence Melendy, due to her illness.

Carl M. Stearns, M. D.

## REPORT OF PROTESTANT CHAPLAIN

During the year 1961, worship and devotional services were held regularly each week, usually on Friday afternoons with the exception of a few weeks in the summer when Saturday evenings were scheduled.

The Chaplain has endeavored to be available for counselling and consultation, and to visit throughout the Home in addition to the regular weekly services.

Bibles have been procured for the County Home through the office of the New Hampshire Bible Society. The Upper Room daily devotional booklet has been provided to all who wish to use it. Home Prayers and various other devotional literature also have been provided.

The Chaplain wishes to express appreciation to all those churches, organizations and individuals who have done so much to bring added interest, pleasure and religious programs to the Home; and a special word of thanks to Rev. R. Theodore Ball and the Charlestown Congregational Church Youth Choir whose monthly visits are eagerly awaited by all.

The Chaplain particularly thanks all members of the County Home staff and nursing department for their helpful, friendly co-operation.

Respectfully submitted,

Alvan Barrus

## CATHOLIC CHAPLAIN'S REPORT

The great spirit which exists at our County Home is tremendous. This is due to wonderful tasks well-accomplished by the Directors, the Staff, the Personnel, all who are cooperating to the success of this great social welfare for the aged ones.

In the last five years there have been remarkable improvements in the building itself and especially in the efficiency for the patients. This progress enhances the spirit of these good people and it encourages them. It is also a noted asset for their relatives.

I am sure we all appreciate the great work done in our community for the happiness of our aged seniors.

Sincerely,

Rev. Maurice Lacroix

I wish at this time to express my appreciation to all law enforcement officers and the County Commissioners for the wonderful cooperation given me over the years I have been your Sheriff, and to my deputies who have helped in the efficiency of this department. I cannot thank our able County Attorney George Zopf enough for the tremendous amount of time given to this department, day or night. He is most cooperative and helpful in solving our many criminal cases. I regret very much the loss of my full time Deputy Charles Haugsrud, who is now with the Peoples National Bank of Claremont.

Respectfully submitted,

James F. McCusker, Sheriff

## REPORT OF COUNTY ATTORNEY

January 29, 1962

The Commissioners of Sullivan County  
Newport, New Hampshire

Gentlemen:

I herewith submit my report as County Attorney for the year ending December 31, 1961.

During the year 1961 the Grand Jury returned four indictments and nineteen persons elected to waive indictment, plead guilty to the crimes charged and have their cases disposed of by the Court with dispatch. The cases involved major crimes such as breaking, entering and larceny, rape, assault, and reckless operation of motor vehicles death resulting.

As in the past our four Municipal Courts were busy handling hundreds of cases involving misdemeanors, and our Municipal Court judges sitting in juvenile court disposed of a great mass of juvenile complaints. Your County Attorney appeared in the Municipal Courts and prosecuted the actions when the defendants pleaded not guilty and desired a trial.

Much time was spent on the so-called non-support cases which seem to grow more numerous each year. We have continued our aggressive policy toward those who attempt to shirk the responsibility of supporting their dependents and many of the cases before our municipal courts were for the misdemeanor of failing to support dependents. In those cases where the person owing the duty of support had left our State, appropriate proceedings were instituted under the Uniform Reciprocal Enforcement of Support Act.

The annual report affords me my only opportunity to publicly express gratitude and appreciation to those who assist me in the performance of my duty and enable my office to function smoothly and effectively. I am indebted to the County's fine Sheriff, James F. McCusker, and his staff of deputies, the State Police, and local Police Departments for their wonderful cooperation and assistance in law enforcement. I also desire to acknowledge the excellent cooperation extended to me by the County Commissioners and the personnel of their offices.

Respectfully submitted,

George E. Zopf

County Attorney
